Art. 5 – Selection procedures

1. According to the Ph.D. information sheet (see art. 1), candidates' selection is based on the evaluation of qualifications and oral examination; the maximum score is 120

The maximum score for the evaluation of qualifications is 60 points according to the following distribution:

| | | |
|---|---|----------------------|
| 1 | <i>Curriculum vitae et studiorum</i> With reference to the evaluation of the Curriculum vitae et studiorum, the selection committee will evaluate: | |
| | a) the completion of the degree course within its legal duration; | max 30 points |
| | b) the final grade or the weighed average mark; | |
| | c) all study and work experience that are deemed worthy of evaluation | |
| 2 | Certificates attesting the knowledge of the foreign language, if any | max 5 points |
| 3 | Publications, if any | max 5 points |
| 4 | Research project | max 20 points |
| | TOTAL | max 60 points |

Candidates must obtain a score of minimum 40 out of 60 in the evaluation of qualifications to be admitted to the oral examination.

The maximum score of the oral examination is 60 points according to the following distribution

| | | |
|---|---|----------------------|
| 1 | Dissertation on the research project | max 10 points |
| 2 | General knowledge of the themes of the candidate's degree and/or the themes related to the Ph.D. course | max 50 points |
| | TOTAL | max 60 points |

Candidates must obtain a score of minimum 80 out of 120 points to pass the selection procedure with minimum 40 points out of 60 in the evaluation of qualifications and minimum 40 points out of 60 in the oral examination.

2. The research project assessed by the selection committee in the phase of the evaluation of qualifications and provisionally discussed in the oral examination is not binding to the research subject effectively assigned to candidates admitted to any doctoral program.
3. The oral examination will be held in videoconference form on the date reported in the Ph.D. information sheet according to a timetable that will be made available to candidates well in advance on www.unict.it (section "*Bandi, gare e concorsi*" > "*Studenti e post laurea*" > "*Dottorati di ricerca*") and on the webpage of the Ph.D. course:
<https://www.dicar.unict.it/it/dottorato-di-ricerca-nazionale-difesa-dai-rischi-naturali-e-transizione-ecologica-del-costruito>
The aforementioned publication on the website represents effective notification to candidates. No written notice will be sent to candidates.
4. Candidates admitted to the oral examinations must bring with them an identity document.
5. The selection committee can decide which videoconference platform is to be used for the oral examination. Before the start of the oral examination, each candidate is required to present his/her identity document.

Finanziato dall'Unione europea
NextGenerationEU

UNIVERSITÀ
degli STUDI
di CATANIA

The unavailability of the candidate on the day and hour established by the selection committee and the failure to present his/her identity document represent causes of exclusion from the selection procedure.

The University of Catania declines all responsibility for any technical problem impeding the oral exam in the form of video conference interview in case this technical problem is not imputable to its administration.

6. The selection procedure must be completed by no later than **September 10th 2024**.

Art. 6 – Designation and tasks of the Selection Committee

1. The Selection Committee is composed according to art. 13 of the current Regulation of the University of Catania governing Ph.D. courses.
2. The selection committee will first need to establish:
 - a. the criteria of evaluation and assignation of points to each document to be assessed (*curriculum vitae et studiorum*, certificates attesting the knowledge of the foreign language reported in the information sheet of the Ph.D. course chosen by the candidate, publications, and research project). In case of candidates who are not yet been awarded their second level/master level degree, selection committees will need to consider the arithmetic average or the weighted average of the candidate's scores attested by the candidate himself/herself at the moment of the application.
 - b. the criteria of organization and evaluation of the oral examination.
3. Before the start of the evaluation of qualifications, the selection committee will take care to post the minutes including the criteria listed in paragraph 2 of this article on the website of the Department offering the Ph.D. course.
The selection committee will also manage to post the results of each step of the selection procedure on the website of Department offering the Ph.D. course according to the deadlines communicated by the Ph.D. Students Office to the members of the committee.
4. Upon completion of the selection procedure, each selection committee draws up the list of successful candidates, ranked in descending order of score. Scores being equal, the younger candidate prevails (law 16.6.1998, n. 191).
The list is signed by both the President and the Secretary of the Selection committee and is affixed to the Notice board of the Department where the selection takes place and posted on the same Department's website.
The publication of the results of the selection procedure falls within the exclusive competence of the selection committees that are responsible for the respect of deadlines.

Art. 7 – Lists of selected candidates

1. The list of successful candidates eligible for Ph.D. places are issued through a decree of the Rector of the University of Catania. The Rector's Decrees will be posted on www.unict.it (section "*Bandi, gare e concorsi*" > "*Studenti e post laurea*" > "*Formazione post laurea*" > "*Dottorati di ricerca*").
2. Candidates will need to sign a document attesting their acceptance of the place chosen and agreed with the Ph.D. Academic Board.
Candidates who are not able to accept any of the available places at the moment of the convocation can be summoned again in case of new places that are not available at the moment of the convocation.
3. The ranking list of the candidates admitted to the course will include, where appropriate, the suitability of candidates for scholarships related to a specific topic. Scholarships will be assigned according to the ranking list. In case the selected candidate is suitable for a scholarship related to a specific topic, this latter will be

allocated as a priority. If more than one candidate is suitable for the same scholarship related to a specific topic, the Committee shall assign this scholarship according to the ranking list. In case more than one scholarship related to a specific topic is made available in this call and one candidate is suitable for more than one of these scholarships, the Ph.D. Academic Board shall decide with reference to the allocation of each scholarship.

Art. 8 – Admission to Ph.D. courses

1. Candidates are admitted to Ph.D. programs according to the descending order on the list of selected candidates, provided official expression of interest according to the procedure described in art.7, paragraph 2, until all the available places are allocated.
2. Candidates are excluded if they do not comply with enrolment procedures (see art. 9) within the deadline indicated in a further notice. In this case the next candidate in the list in descending order of score becomes eligible to fill the vacant place.
3. Selected candidates on the list are admitted to a place with scholarship to the extent of the availability of places with scholarship; on completion of the allocation of the places with scholarship, incoming candidates on the list in descending order of score are admitted to a place without scholarship to the extent of the availability of the places without scholarship.
4. Candidates admitted to Ph.D. courses are required to pay enrolment fees as stated in the following article 9.
5. Candidates with disability corresponding to 66% are admitted to the programme in supernumerary places without scholarship, even if their position on the list is below the corresponding number of places in the Ph.D. program. Supernumerary places without scholarship reserved to candidates with disability can be up to half of the ordinary places.
6. Candidates who have already benefited from a doctoral scholarship, even for only one year or part of it, cannot be eligible for a second doctoral scholarship. Selected candidates falling within this category can be admitted to a place without scholarship only.

Art. 9 – Enrolment procedures

1. Candidates admitted to Ph.D. courses are officially appointed in a Rector's decree posted on the university's website www.unict.it (section "*Bandi, gare e concorsi*" > "*Studenti e post laurea*" > "*Dottorati di ricerca*") by no later than **October 13th 2024**.
2. Candidates in the ranking list must submit the enrolment form and pay the enrolment fee (as in paragraph 4, letter e)) according to the procedure indicated in paragraphs 3) and 4), according to the modalities and within the deadline reported in the Rector's decree issuing the ranking list. The publication of this Rector's decree represents the only official form of information. No personal notice will be sent to selected candidates.
3. In the enrolment form the candidate shall enter:
 - a) name and surname, fiscal code, date and place of birth (including post code), telephone number and e-mail address;
 - b) disability with indication of its percentage, where appropriate;
 - c) declaration to commit himself/herself to attend the Ph.D. course full time according to the provisions of the Academic board.
4. To complete the enrolment procedure candidates must:
 - a) go to <https://studenti.smartedu.unict.it>;

- c) once in their account in the box **Iscrizione** click the heading “**Dottorati**” and subsequently “**Domanda di immatricolazione**”;
- d) enter all the required details in the specific spaces and confirm them;
- e) proceed with the payment of the enrolment fee consisting of:
 - Place with scholarship, € 356,00 broken down into:
 1. € 200,00 tuition fees;
 2. € 140,00 regional fee for the right to study;
 3. € 16,00 virtual fiscal stamp
 - Place without scholarship, € 156,00 broken down into:
 1. € 140,00 regional fee for the right to study;
 2. € 16,00 virtual fiscal stamp.
 - Candidates with disability corresponding to 66% or more will pay the virtual fiscal stamp of € 16,00 only, whatever the type of place.

5. Within the deadline reported on the Rector’s Decree approving the ranking lists, candidates admitted to places with scholarship will need to send to dottorati@unict.it the following documents:
 - a) Proof of registration with the National Institute for Social Security
 - b) Copy of the Italian fiscal code;
 - c) Copy of an identity document;
 - d) Form reporting bank details for the payment of the scholarship;
 - e) Declaration of acknowledgment that doctoral scholarship are not subject to income tax and do not count for the quantification of service years in legal and economic terms.

Graduates from foreign universities in non-EU countries will also need to send the Comparability certificate issued by CIMEA or the Declaration of Value issued by an Italian Embassy or Consulate in case of registration either in a place with scholarship or without scholarship.

6. Candidates admitted to places with scholarship financed by the NRRP Ministerial Decrees n. 629/2024 and n. 630/2024 will also need to send a declaration attesting their commitment to carry out the project related to the assigned scholarship whose features are:
 - a) NRRP Ministerial Decree n. 629/2024, M4C1, Inv. 3.4 “Digital and Environmental Transition”:
 - Research period of minimum 6 months and maximums 12 months to be carried out at a company or research center;
 - Research period of minimum 6 months and maximum 12 months to be carried out at a foreign institution.
 - b) NRRP Ministerial Decree n. 629/2024, M4C1, Inv. 4.1 “NRRP Research”:
 - Research period of minimum 6 months and maximum 12 months to be carried out at company or research center.
 - c) NRRP Ministerial Decree n. 629/2024, M4C1, Inv. 4.1 “Public Administration”:
 - Research period of minimum 6 months and maximum 12 months to be carried out at company/research center/public administration;
 - Research period of minimum 6 months and maximum 12 months to be carried out at a foreign institution.
 - d) NRRP Ministerial Decree n. 629/2024, M4C1, Inv. 4.1 “Cultural Heritage”:
 - Research period of minimum 6 months and maximum 12 months to be carried out at research center/cultural institution;
 - Research period of minimum 6 months and maximum 12 months to be carried out at foreign institution.
 - e) NRRP Ministerial Decree n. 630/2024, M4C2, Inv. 3.3 “Implementation of doctoral courses aimed at responding to the request for innovation of private companies and promoting the employment of researchers”, provided an equal co-funding by private companies”:
 - Research period of minimum 6 months and maximum 18 months to be carried out at private company;

- Research period of minimum 6 months and maximum 12 months to be carried out at a foreign institution.
7. Enrolment forms submitted with different modalities or after the deadlines indicated in the Rector's Decree mentioned in paragraph 1 will not be considered. Likewise, enrolment forms that are not finalised by the payment of the enrolment fee will not be considered. The University of Catania is not responsible for any delays due to a third party, accident or force majeure.
 8. Candidates' failure to comply with the aforementioned provisions is considered equivalent to formal renunciation to the place in the Ph.D. course. Vacant places can be made available for other candidates on the ranking according to the descending order and until all vacant places are allocated. These candidates will be informed on enrolment procedures and deadline by means of an email sent to the email address indicated in the application form.
 9. The renunciation to a place in a Ph.D. program does not give the right to a refund of the enrolment fee even when the candidate has not attended any course activities.
 10. In order to allow a rapid allocation of the places to the candidates in the ranking list, selected candidates who intend to renounce to a Ph.D. place are requested to send immediate written notice to dottorati@unict.it. A copy of the identity card in PDF format must be attached to the notice of renunciation.
 11. Any variation of the enrolment procedure shall be duly communicated to the selected candidates in the same Rector's Decree reported in paragraph 2 of this article.
 12. By no later than October 31st of each year Ph.D. students must enroll in the following year. The enrolment is subject to the decision of the academic board according to art. 15, par. 7 of the Regulation of the University of Catania governing Ph.D. courses. Failure to renew the enrolment leads to the exclusion from the Ph.D. course.

Art. 10 - Scholarship

1. The scholarships, whose maximum duration corresponds to the duration of the Ph.D. course, are assigned to candidates in the ranking list, provided a comparative evaluation in terms of merit and according to the order of the list, and are confirmed with the candidate's admission the following year of the Ph.D. course.
2. Each scholarship amounts to € 16.243,00 per year, before social deductions charged on the scholarship holder. This amount is adjusted according to increases established by the law.
3. The amount of the scholarship is increased up to 50% in correspondence and proportionally to research periods at foreign institutions, both public and private, provided these research periods are authorized by the related Ph.D. Academic Board.
Research periods at foreign institutions for which the 50% increase is provided are established based on the doctoral student's research plan and/or the program funding his/her research.
The duration of these research periods at foreign institution cannot exceed 12 months. Within the maximum limit of 12 months, the months of a research period at a foreign institution do not have to be consecutive.
In case the doctoral student's research plan is arranged as a joint supervision scheme, the period at a foreign institution corresponding to the 50% increase of the scholarship is extended to 18 months. This 18-month research period is to be carried out at the foreign institution signing the joint supervision agreement. Within the maximum limit of 18 months, the months of a research period under a joint supervision scheme do not have to be consecutive.
4. In case of scholarships financed by public or private institutions, research periods abroad will need to be agreed with the funding institution. Based on the conditions included in specific agreements, the scholarship 50%

Finanziato dall'Unione europea
NextGenerationEU

UNIVERSITÀ
degli STUDI

- increase can be replaced by the commitment of the funding institution to cover the expenses incurred by the doctoral student during his/her research period abroad.
5. Each doctoral student is granted a research budget from the first year of Ph.D. course corresponding to 10% of the gross amount of the scholarship.
This budget can be used by the doctoral student to cover any costs concerning his/her research in Italy and abroad.
This budget is transferred every year to the Department offering the Ph.D. course indicated in the information sheet. To access and use this budget, each doctoral student will need to refer to the financial division of the Department offering the Ph.D. course.
 6. The payment of the scholarship is conditioned to the effective attendance to course activities and to the effective development of the research project assigned by the Academic Board.
 7. The provisions concerning tax benefit included in art. 4, Law 476/1984 apply to doctoral scholarships.
 8. Notwithstanding the provisos included in the Regulation (EU, Euroatom) n. 1046 of July 18th 2018 (art. 191: "Principle of non-cumulative award and prohibition of double funding"), doctoral scholarships are not compatible with other scholarships, conferred for any reason, including research scholarships.
The doctoral scholarships can be compatible with additional scholarships, granted for research periods abroad only, provided the financial source funding the foreign mobility is different from the financial source funding the principal scholarship. To benefit from these supplementary scholarships additional conditions might be required which are expressly indicated in the call advertising these specific grants.
 9. As a general rule, the payment of the scholarship consists in a two-month salary for the first two months and in monthly salaries for the remaining months. Either way, payments are deferred to the month following the month of reference. Payment modalities are detailed in the Rector's Decrees approving the allocation of scholarships.
